

November 1st, 2024

To Our Valued Partners,

After consideration of current market conditions and trends, Whitney Tool Company must follow suit with our industry peers and institute a price increase. In efforts to provide ample timing for our valued customers to react, our plan is to make this price increase effective February 3rd, 2025. Said price increase will be 5% on all standard catalog product offerings.

Rest assured, our goal of providing you and your customers with the highest quality products, service, and support you have come to depend on has not changed. Unfortunately, this price increase is necessary to meet that goal. We appreciate your continued partnership as we navigate these rapidly changing market conditions.

Best Regards,

W. Scott Baker Chief Executive Officer Whitney Tool Company, Inc.
